

Term Limits

Purpose of Term Limits: It is the intention of the founding members to encourage new talent acquisition and diversification of the board to increase new perspective in decision making; to provide opportunities to work with talented community members, and to encourage leadership from members to reflect changing needs of the organization; therefore we established term limits for the Board of Directors.

We acknowledge that finding Members willing or able to serve on the Board may be challenging, but we encourage the idea of term limits as a best practice ideal that should be strived for.

1. Odd and Even Year Directors

Directors shall be designated "odd-year" directors and "even-year" directors.

- The designation of odd or even for Officers is defined by the year the term starts.
- The President and the Secretary are odd-year designates. The Vice-President and the Treasurer are even-year designates.
- The Director seat is an odd year designate.
